A. Cynthia, my beautiful bride, and I:

(1) Had a blast welcoming in 2020 with friends at the Tap Haus. In the bottom left picture, that's us dropping the ball at 11:59 p.m. (It was actually several hours earlier. We had fast forwarded the clock, so that we were able to get home much earlier for our beauty sleep.) In the bottom right picture, that's Jensen Gelford and Beth Mayberry after we just announced their engagement. ... For other pictures, along with a clip of us dropping the ball, please click: [Here](#).

(2) Got tasty hamburgers and terrific fries at Burgerworx in Asheville. That was the first time we had been there. We will be back.

Thumbs up for BRILLIANT TRACES, the engrossing drama at 35below through Jan. 26. ... Shari Azar and Thomas Trauger are outstanding as the two characters who find themselves together in a small cabin in Alaska in the middle of a snowstorm. Kudos to Robert Dale Walker for his taut direction, as well as for his choice of guitarist Travis Ortnwein who performs the haunting music that accompanies the play. ... ### 2. FYI

Thanks, Carole Biro, for putting this on my radar screen: Goodbye Nursing Homes! The New Trend Is Co-Housing With Friends by Abley Ryan

Nursing homes have been the only real option available for elderly, retired seniors who are unable to live alone anymore and also don't have family nearby who are able to add them to their household. Despite the fact that this is a common option, nobody likes facing the decision of whether or not to move themselves (or their parent!) into a potentially lonely, unwelcoming nursing home. That's what makes this new evolution in senior housing such a great alternative! Give your: senior cohousing.

What Exactly Is Senior Cohousing?  
This unique kind of senior care is exactly what it sounds like. A cohousing community's intent is to ensure that every member has privacy and a space of their own. Each member of the community has their own apartment or house, all while also having access to shared spaces. This means that every senior living in the cohousing community would have their own private space while living near friends who share more public spaces like a dining area, library, cinema center, fitness center, garden, and more.

### 3. Joke 1

BEEN WONDERING ... Doctors say that 7 out of 10 Americans suffer from hemorrhoids. ... Does that mean the other 3 enjoy them?

### 4. Reviews

A. Saw JUST MERCY, a thought-provoking true story about a lawyer who defends those on death row who were wrongly condemned or who were not afforded proper representation. Michael B. Jordan and Jamie Foxx were outstanding in the leading roles, and I also liked the work of Brie Larson and Tim Blake Nelson in supporting roles. I very much hope that both Foxx and Nelson get Oscar consideration, as well as David Atherton for the work he did on Nelson's makeup. Rated PG-13.

B. If you are a sports and/or documentary fan, catch TED WILLIAMS: THE GREATEST HITTER WHO EVER LIVED on Netflix. My only regret: It was too short at 60 minutes. I would have wanted to see much more detail about his amazing life. Jon Hamm's narration added to my enjoyment of the film. Rated NR.

### 8. Technology tip

Get Those Records, Tapes and CDs Onto Your Smartphone  
by J. D. Biersdorfer

A huge amount of the world's audio has been digitized, but many veterans of the Analog Age still have out-of-print albums, lectures and other content locked on vinyl records, cassettes and CDs. Converting the audio to digital formats for personal use is much simpler than it used to be, though, thanks in part to gadgets that connect to a computer's USB port.

In addition to making files that play on your smartphone or media server, digitizing your analog audio creates an electronic archive you can store online for safekeeping. The steps for converting your old recordings vary on the formats and equipment you have, but here's a general outline of the process and the equipment you may need.

### 9. Joke 3

Two boys are talking, and the one says to the other, "There is an easy way to get what you want." ... The other boy asks, "How?" ... The first boy replies, "Tell people you know their secret." ... The boy jumps up and runs to his dad, "I know your secret!" ... The dad replies, "Please don't tell your mom. Here's \$10." ... The boy then runs to his mom, "I know your secret!" ... The mom says, "Please don't tell your dad. Here's \$15." ... The boy then decides to try it on the mail man and tells him, "I know your secret!" ... The mailman opens his arms and says, "Come, give your dad a hug!"

Thanks, Buck Henry (1930-2020), for your screenplay for THE GRADUATE, for directing HEAVEN CAN WAIT, for creating GET SMART, for hosting SATURDAY NIGHT LIVE 10 times and for your work in many other movies and television shows. ### 11. Thought for the day

FOOD FOR THOUGHT ... How come "you're a peach" is a compliment, but "you're bananas" is an insult? Why are we allowing fruit discrimination to tear society apart? ... On second thought, this is actually FRUIT FOR THOUGHT!! (Thanks, Colleen Dunn, for sharing.)
