1. Reflections

A. Note: This week's blog is being written while Cynthia, my beautiful bride, and I are on the Oceania cruise ship en route to a vacation in the Caribbean. As such, I don't have access to all my pictures and files, so what you see will be missing some regular sections. They will return in the next issue.

B. In our absence, our amazing cat Kismet is watching over our home. Many thanks to our friend Padma who is keeping him company while we are away.

B. Prior to departure , we joined our friends Francie and Jeff Sabell for a delicious dinner at Agliolo in Wellington, Florida.

C. We then spent some time with my daughter Risa Reavely and son-in-law JP at the Loggerhead Marinelife Center.

D. Afterward, we posed for a picture with this statue.

E. On our first day on the boat, we had a tour and Cynthia posed with the Fitness Center director who showed her Good Feet arch supports.

Mr. Curious here: Are you familiar with this product? And, if so, what's your reaction to it?

F. And on our first night, we had a tasty dinner with new friends Bill and Kelly.

2. Joke 1

Do you wannabe my first client?

**For \$200 an hour,
I will pose as a couples**

**counselor and tell
your husband he is
wrong about everything.**

3. Joke 2

You old folks will thank me for this. (Thanks, Jonathan Berg, for sharing.)

4. Joke 3

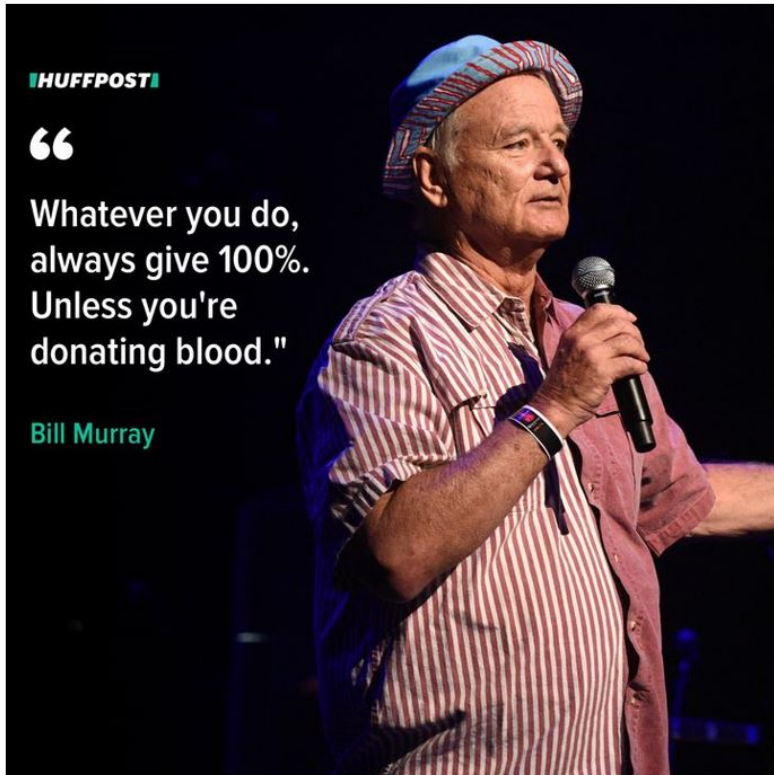

Donna is in a movie theater. Two seats away, there's a guy and his dog. The dog is laughing at the funny lines and growling at the bad guy. The woman whispers to the man, "Excuse me. The way your dog 's getting into the movie, that's amazing!" Guy says: "Yeah, it surprises me, too. He hated the book."

5. A quote I like

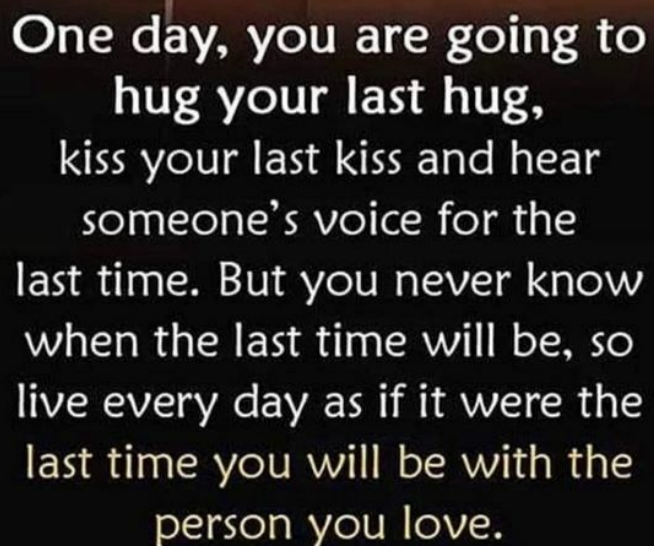

Mental pabulum ...

6. Thought for the day

Amen--and awomen too.

One day, you are going to hug your last hug, kiss your last kiss and hear someone's voice for the last time. But you never know when the last time will be, so live every day as if it were the last time you will be with the person you love.

PS. Make it a great week!
