A. Cynthia, my beautiful bride, and I:

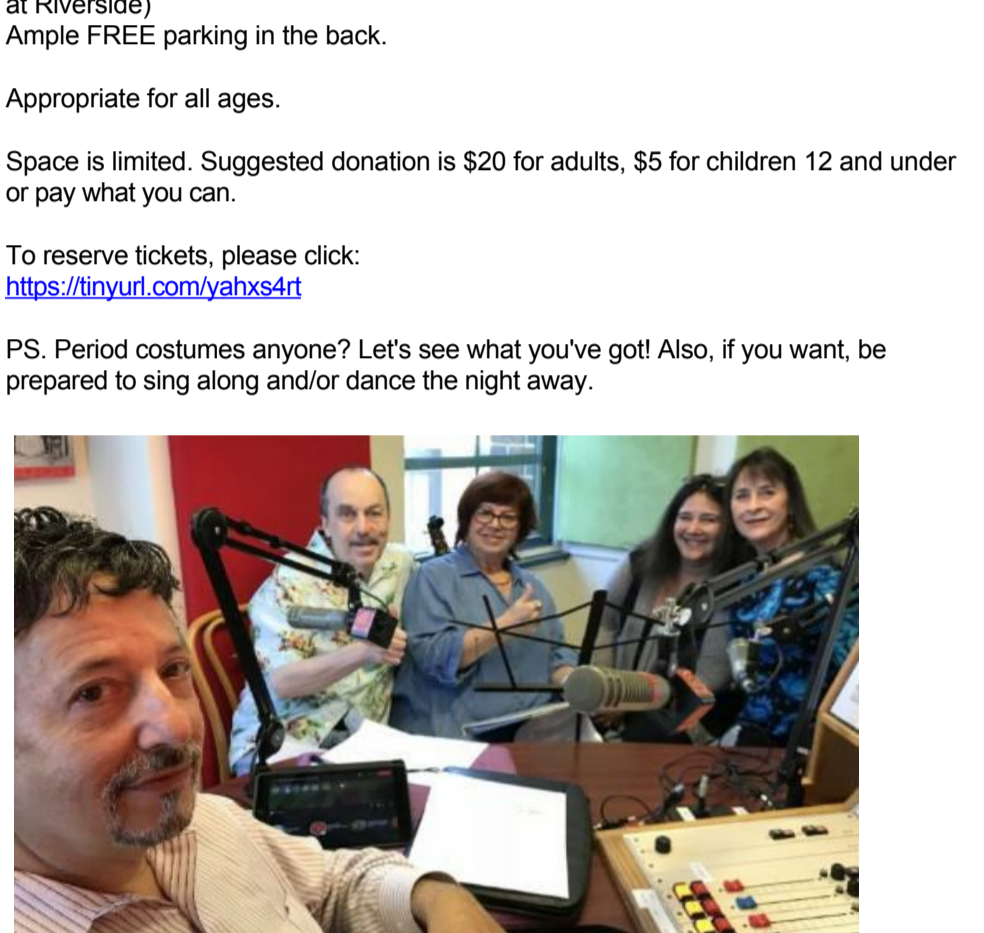

(1) Were blessed to have married 13 years ago. That's us in our bride and groom caps at an ice cream reception we had that night with friends at Maggie Moo's in Hillsborough, NJ. ... Thanks to y'all who were with us then and/or to those who have since joined our fray (the good friends that are the family we have chosen for ourselves).

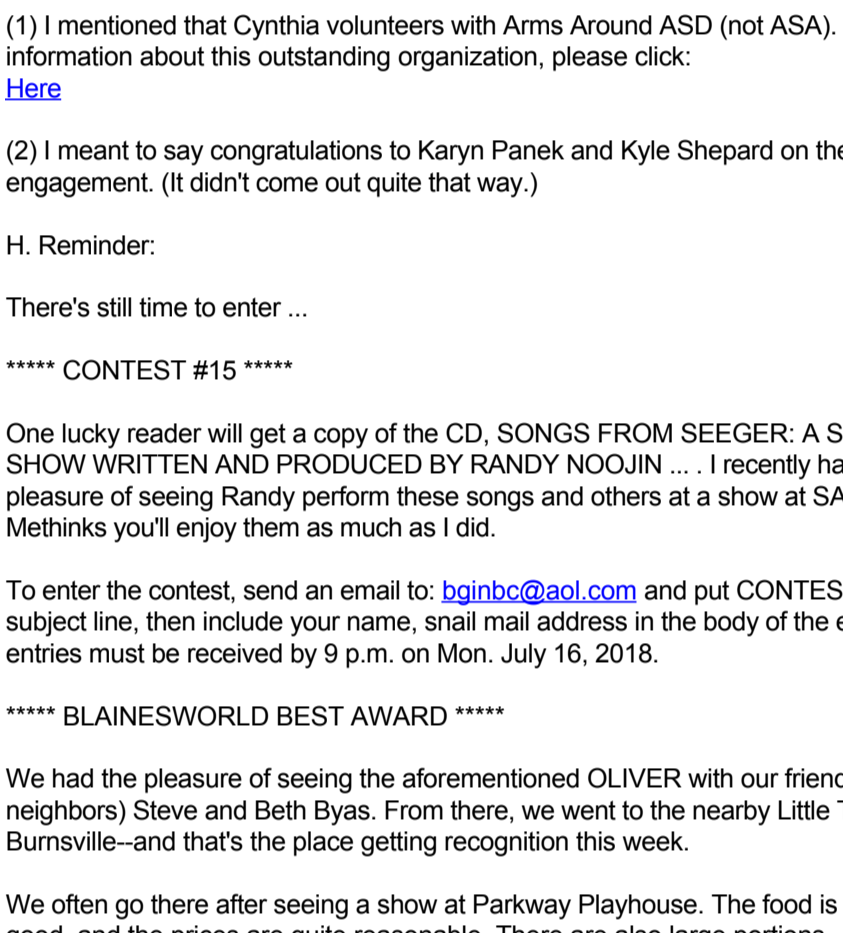

(2) Had a fun dinner at the home of Ginny Plaisted and Grant Randall, our good friends. Joining us was Cappy Tossetti (far left).

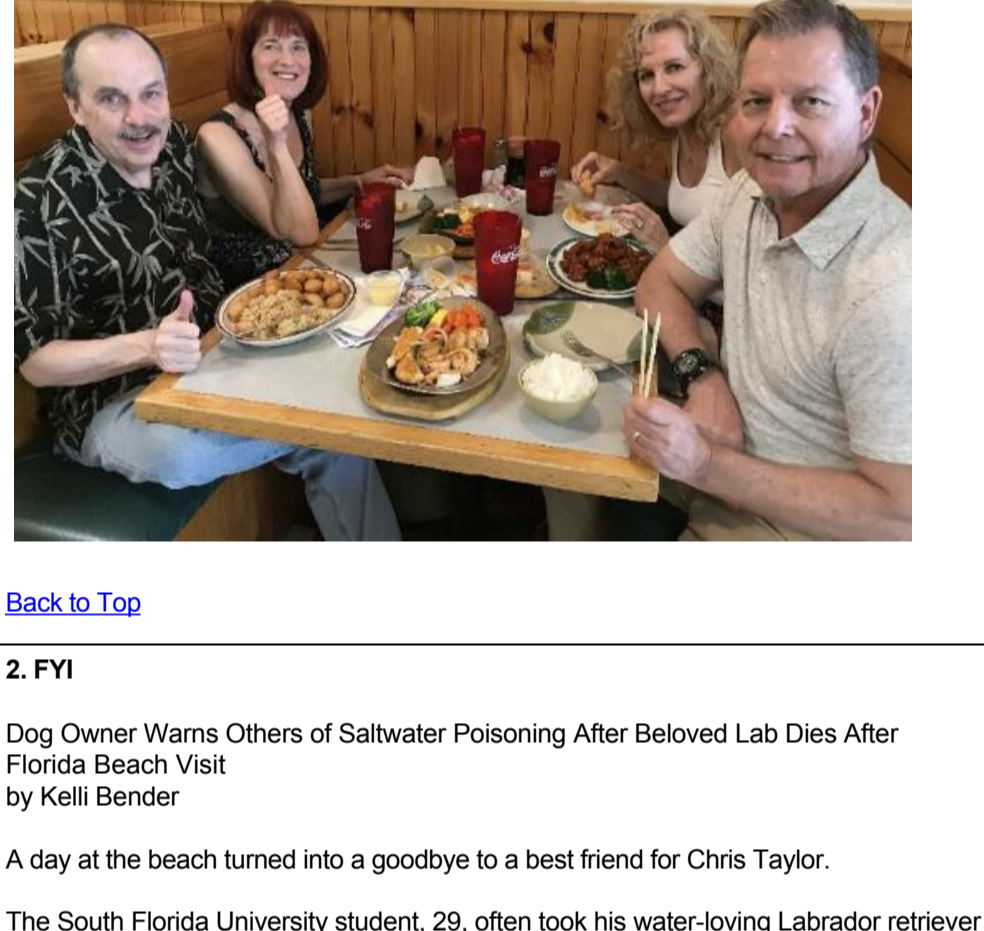

(3) Saw a tuneful, energetic production of OLIVER at Parkway Playhouse. It featured many Facebook friends, including Mike Yow, Bobby Guenther, Steve Elderbrock, Faith Creech, Trissa King, Myra McCourey and Roberta Whiteside. Kudos to them all, as well as to Aaron Neighbors for his role as Dodger and to Erika Tyner for her-spot on direction.

***** CONTEST #15 *****
One lucky writer will get a copy of the CD, SONGS FROM SEEGER: A SOLO SHOW WRITTEN AND PRODUCED BY RANDY NOOJIN ... I recently had the pleasure of seeing Randy perform these songs and others at a show at SART. Methinks you'll enjoy them as much as I did.

To enter the contest, send an email to: lginbc@aol.com and put CONTEST #15 in the subject line, then include your name, snail mail address in the body of the email.... All entries must be received by 9 p.m. on Mon. July 16, 2018.
***** BLAINESWORLD BEST AWARD *****
We had the pleasure of awarding the aforementioned OLIVER with our friends (and neighbors) Steve and Beth Byas. From there, we went to the nearby Little Tokyo in Burnsville—and that's the place getting recognition this week.

We often go there after seeing a show at Parkway Playhouse. The food is always good, and the prices are quite reasonable. There are also large portions.
In addition, we look forward to receiving friendly service from Anna. She will soon be returning to college, and we'll miss her.

Dog Owner Warns Others of Saltwater Poisoning After Beloved Lab Dies After Florida Beach Visit by Kelli Bender

A day at the beach turned into a goodbye to a best friend for Chris Taylor. The South Florida University student, 29, often took his water-loving Labrador retriever O.G. to the beach in Duneedin, Florida. According to WFLA, Monday was no different. After class, Taylor and O.G., who have been together for seven years, went to hang out in the sun and surf for a few hours at Honeymoon Island State Park Dog Beach.

4. Reviews

A. Loved GOODBYYE CHRISTOPHER ROBIN, the true story about the relationship between beloved children's author A. A. Milne and his son Christopher Robin whose toys inspired WINNIE-THE-POOH. I liked all the performances, but especially the ones of Dornhall Gleeson as Milne and Will Tilston (a kid with the cutest dimples you'll ever see) as his son. The film is touching, as well as thought-provoking, and I've already added it my list of favorite films. Rated PG, but I don't think it would be all that good for young children.
You can still catch it on HBO THROUGH July 29. Thereafter, it is being removed—probably because the Disney film, CHRISTOPHER ROBIN, opens on August 3. To see the trailer for that one, please click: [Here](#)

Note: If you'd like a list of my other favorite films, send an email to: lginbc@aol.com and put FAVORITES in the subject line.
B. Heard I'M KEITH HERNANDEZ: A MEMOIR (Hachette Audio), written and read by Keith Hernandez—the legendary first baseman. I enjoyed it and, in particular, his tale of the race for the batting title against Pete Rose. I also got a real feel for what it was like for him to progress through the minor leagues up the majors. ... The book concentrates on his career though his time as a member of the St. Louis Cardinals. I was somewhat disappointed that there was very little about his life as a member of the New York Mets and not much about his time on numerous SEINFELD episodes. ... So if you're looking for either of those subjects, I guess you'll have to find me a second memoir from Hernandez.

5. TV alert

- A. THE LEGACY OF A WHITETAIL DEER HUNTER: Now streaming via Netflix James Brolin takes his son out into the woods. "This is small movie, not much bigger than a chipmunk," notes PEOPLE, "but it's warm and resonant."
- B. ROBIN WILLIAMS: COME INSIDE MY MIND: Mon., July 16, at 8 p.m. on HBO According to TV GUIDE, "Marina Zenovich's hilarious and ultimately heartbreaking biographical portrait of the manic comic genius is, like his famous friends, in awe of Williams' quicksilver improvisational energy."
- C. FREAKS AND GEEKS: THE DOCUMENTARY: Mon., July 16, at 9 p.m. on A&E I'll watch to find out why this critically-livd high school drama had such a short run. The cast included James Franco, Seth Rogen and Jason Segel, and Judd Apatow was one of the creators.
- D. TRIAL & ERROR: LADY KILLER: Thursdays, starting July 19, on NBC at 9 p.m. This funny true-crime parody returns for a second season with Nicholas D'Agosto taking on Kristin Chenoweth as a new client.

6. Joke 2

I took my 83-year-old dad to the mall once to get him new shoes. We decided to grab a bite at the food court. I noticed he was watching a teenager sitting next to him. The teenager had spiked hair in all different colors—blue, red, green and orange. ... My dad kept staring at her. When the teenager had seen enough, she sarcastically asked, "What's the matter old man, never done anything wild in your life?" ... Knowing my dad, I quickly swallowed my remaining food so I wouldn't choke on his response. I knew he would have a good one. ... In classic style, he responded without batting an eyelid: "Got stoned once and had sex with a peacock. Just wondering if you were my daughter." (Thanks, Kathy Webb, for sharing.)
