#### A. Cynthia, my beautiful bride, and I:

(1) Were glad to see Cynthia's cousins, Billy and Vivian Fishman, on their recent visit to Asheville. Starting the day, we went on Lazoom's City Comedy Tour (top left photo) and laughed at the antics of guide Rhonda Corner. ... Then we went to the Antique Car Museum at Grovewood Village (top right photo), had a fantastic dinner at the Edison Restaurant at the Omni Grove Park Inn (bottom left photo) where we received fine service from Alex and concluded our day with a tasty dessert at Ultimate Ice Cream (bottom right photo). ... Note: To see these pictures at full size, click: [Here](#)

(2) Had a blast at SART's latest production: SOMETHING'S AFOOT, a murder mystery musical comedy that was directed with aplomb by Mandy Sayles. We loved the performances of Pem Tomaselli (second from right) and Natalie Brouwer (far right), as well as those of all the others in the talented cast: Shane Dinan, Amelia Wilds, Shannon Dionne, Timothy Wilds, Maximilian Koger, Peter Tamm, Mario Pando and Steven Isaac Rice. Also adding to our enjoyment was Anthony Romeo's spot on choreography and Stephen Purdy's dual work as music director/pianist.

From there, we went for a tasty dinner at Blue Mountain Pizza in Weaverville.

(3) Wanted to thank our friends Jonathan and Sandi Freedberg (bottom picture) for their help in our home-buying process. We visited their beautiful Deltec home in Waynesville and received a lot of useful advice on what to consider when building from scratch. We ultimately decided not to go that route, but only because the time involved would have taken over a year--and we wanted to move sooner.

B. If you have children, grandchildren, nieces or nephews, catch CHARLOTTE'S WEB at The Magnetic Theatre through July 28. They'll all love this fun, sweet production that features both puppets and original music, as well as spot on direction from Abby Felder. ...Note: Adults will like it, too! ... Kudos to all those in the cast: Tippin, Rebekah Babelay, Tristan Cameron, Trudy Campbell, Asher Leigh and Anna Slate. ... For tickets and more information, please click: [Here](#)

C. Kudos to all those involved in the recent staged reading of THE MERCHANT OF NAPLES at Attic Salt Theatre. ... Note: Click this link to see photos at full size: [Here](#)

D. Catch my most recent BLAINESWORLD show on WPVM, featuring Jane Hatley and Guy Sayles. You can do so by clicking: [Here](#)

E. Condolences to:

(1) Shelia Radford Sumpter on the passing of Roy Sumpter III-her husband.

(2) Stacy Deber Hoffman on the passing of her mom.

F. Congratulations to:

(1) Kay Wise-Denty on being a published photographer in this month's THE LAUREL OF ASHEVILLE MAGAZINE.

(2) Coy Austin Theobalt and Lora Ristau on the birth of their son.

(3) Teresa Breakey on her new job as a Legal Administrative Assistant with Haywood County Health and Human Services.

F. Correction: Thanks, Peter Rigas, for pointing this out about what I wrote in BLAINESWORLD #1190:

Cynthia recently spent a few days in New Jersey to attend the bridal shower of Chloe Lipman, the lovely woman who will be getting married to her nephew Benjamin Litchman on September 1.

He read the above and wrote me, "I thought Chloe was marrying her own nephew." That's not the case. Chloe is marrying Benjamin Litchman. Benjamin is Cynthia's nephew.

G. There's still time to enter ...

JAMES NAVÉ

\*\*\*\*\* BLAINESWORLD BEST AWARD \*\*\*\*\*

Thanks, Vickie Gaddy, for the following nomination:

Trissa King is our Star! She makes snacks for theatre events for both staff and actors. She has helped me during a recent illness, helping me learn how to do antibiotic fusions perfectly. She carries food to people having a tough time. In addition, she babysat for my grandson Cyrus from the beginning. (See picture below.)

My two cents: I second what Vickie has written. Trissa is also a talented actor and keyboardist/music director, and she continually inspires me to get active as a result of her running and tree-climbing pictures.

## 2. FYI

If you frequently buy the same thing over and over at Sam's Club, Costco, Amazon, etc., find your list of frequently ordered items. Then print it out and use what you printed out as a shopping list. ... That's what I have started doing, and it has made shopping much easier. ... This also minimizes the chances that you will forget to order something that you need.

## 4. Reviews

A. Saw THE BIGGEST LITTLE FARM, a heartwarming documentary about a couple living in a small apartment who decide to try out farming when faced with an eviction notice because of the incessant barking of their dog. So they decide to try out farming and buy a 200-acre farm an hour north of Los Angeles. ... Over the next seven years,

we see how they do it—despite constant obstacles along the way. ... The photography is magnificent, and I liked how the film got me to think about sustainable food and ecosystems without having me fall asleep. ... My only criticism: I would have wanted to see more about the finances behind the operation (for example, how did it survive without bringing in any money the first year). Rated PG, but I would not recommend it for young children.

B. Heard *SUM IT UP: A THOUSAND AND NINETY-EIGHT VICTORIES, A COUPLE OF IRRELEVANT LOSSES, AND A LIFE IN PERSPECTIVE* (Random House Audio), written by Pat Head Summit with Sally Jenkins and narrated by Jenkins. ... Summit, the all-time winningest coach in NCAA basketball history, tells her life story as she also recounts how she had to deal with her greatest challenge: early-onset Alzheimer's. ... The basketball part is exciting; the battle with her disease is touching. ... What impressed me most about this amazing woman is the following fact: 74 of her players have become coaches. You'll see why when you read *SUM IT UP*.

## 8. Technology tip

There are a lot of Facebook Messenger scams out there, so be careful when you see something that looks suspicious.

For example, this one is a SCAM:  
Hello how are you doing

For more information on it, please click: [Here](#)

And here is another one that's also a SCAM:  
I think you appear in this VIDEO watch it. IM REALLY IMPRESSED!!! ... Then there are these words: PLAY VIDEO instagram.com

For more information on it, please click: [Here](#)

My recommendation: If you have any doubts, don't click on anything. Instead, first check with the person who allegedly sent you the initial message.

## 9. Joke 3

Last night, I was sitting on the sofa watching TV when I heard my wife's voice from the kitchen: "What would you like for dinner my love, chicken, beef or lamb?" ... I said "Thank you, I'll have chicken please." ... She replied, "You're having soup. I was talking to the cat!" (Thanks, David Greenfield, for sharing.)

## 11. Thought for the day

When You Thought I Wasn't Looking  
by Mary Rita Schilke Korzan

When you thought I wasn't looking  
You hung my first painting on the refrigerator  
And I wanted to paint another.

When you thought I wasn't looking  
You fed a stray cat  
And I thought it was good to be kind to animals.

When you thought I wasn't looking  
You baked a birthday cake just for me  
And I knew that little things were special things.

When you thought I wasn't looking  
You said a prayer  
And I believed there was a God that I could always talk to.

When you thought I wasn't looking  
You kissed me good-night  
And I felt loved.

When you thought I wasn't looking  
I saw tears come from your eyes  
And I learned that sometimes things hurt--  
But that it's alright to cry.

When you thought I wasn't looking  
You smiled  
And it made me want to look that pretty too.

When you thought I wasn't looking  
You cared  
And I wanted to be everything I could be.

When you thought I wasn't looking--  
I looked . . .  
And wanted to say thanks  
For all those things you did  
When you thought I wasn't looking.
