A. Cynthia, my beautiful bride, and I:

(1) Had the pleasure of seeing THE GROUNDLING at Asheville Community Theatre. Do yourself a favor and catch it before its run ends on September 2. This well-acted comedy by Marc Palmieri will have you laughing all the way until an unexpected twist toward heartbreak at the end. ... There were terrific performances from all in the cast: Daniel Sandoval, Jenni Robinson, Scott Keel, Mandy Bean, Ralph Redpath, Kelsey Simons and Haven Kai Volpe. I also enjoyed Betsy Puckett's taut direction and Bjorn Boller's set direction of the garage that I wish mine would someday become. ... For tickets, please click:

Afterward, we went to the Korean House for a delicious dinner where we received fine service from Jonathan.

(2) During the week, we joined our friends Tom and Marcy Gallagher at Pacific Pagoda. We enjoyed being in the fish tank with them, as well as the fine food. Amy was our excellent server.

Note: Don't be concerned. We did not eat the pictured fish.

In addition, I especially enjoyed the grilled cheese sandwich that I got from the Melt Your Heart truck. It was probably the best such sandwich I have ever had!

D. I'm blessed to belong to a breakfast club with my friends, l-r: Tom Gallagher, Marvin Sadovsky and Brian Biro. We meet on a semi-regular basis to solve all the world's problems. That's us at a new place in town, Famous Toastery. We enjoyed the food and will be back.

E. The thumbs up movement is spreading ... first, I got Cynthia, my beautiful bride, to join in ... then a bunch of Asheville actors ... and now, it has even spread to the fruit community! (Thanks, Carole Biro, for sharing.)

\*\*\*\*\* CONTEST #18 \*\*\*\*\*

One lucky reader will get an autographed copy of my friend Steven Shulman's just-published memoir: MY UNCLE GLORIA. ... To quote from the book's description on Amazon: Change is always good .... until it's not. My Uncle Butch, the classic "macho" auto junkyard owner, and womanizer, decides at the age of 66 to have a sex change. And somehow, his transformation brings my neurotic and unhinged family back together-for better or worse. But what is it that changed? Was it Butch? Was it me? Or, was it something else? "My Uncle Gloria" digs deep into the core of a dysfunctional family, as they find a way to not only cope with each other but also how to "accept" each other. ... I look forward to reading it! ... To enter the contest, send an email to: [bginbc@aol.com](mailto:bginbc@aol.com) and put CONTEST #18 in the subject line, then include your name and snail mail address in the body of the email..... All entries must be received by 9 p.m. on Mon., August 27, 2018.

## 2. FYI

Thanks, Jensen Gelfond, for the following recommendation:

When I recently bruised my ribs, he told me about a product he uses called Arnicare Gel. I tried it and within a day, I was feeling better.

Here's more information about it from the company's website:

Boiron's Arnicare gel cools and refreshes immediately upon contact, and is absorbed quickest into the skin. The non-greasy, non-sticky, water-based formula leaves no residue. Arnicare Gel is free from parabens, fragrances or dyes.

### 3. Joke 1

One day my housework-challenged husband decided to wash his Wweatshirt. Seconds after he stepped into the laundry room, he shouted to me, "What setting do I use on the washing machine?" ... "It depends," I replied. "What does it say on your shirt?" ... He yelled back, "OHIO STATE!" (Thanks, Janeen Ravkin, for sharing.)

### 4. Reviews

A. Saw PUZZLE, a drama about a woman in her 40s whose life begins to change when she receives a jigsaw puzzle for a birthday gift. She soon discovers that she is very good at putting puzzles together. Kelly Macdonald is quite good in the leading role, but overall, the film dragged. Too bad, in that the coming attractions had me looking forward to it. Rated R.

B. A much better choice would be for you to see LIKE FATHER, a sweet comedy now available via Netflix. The story involves a workaholic young executive who is left at the altar. She somehow winds up on a Caribbean honeymoon cruise with her equally workaholic father. Kristen Bell and Kelsey Grammer have great chemistry in the leading roles. Methinks you'll enjoy this one. Rated NR, but appropriate for teenagers.

## 8. Technology tip

Want to increase picture size without losing quality? Try this:

1. Copy the picture.
2. Past it into Word.
3. Increase the size there by pulling up at each of the corners.
4. Use the Snipping Tool (the comes with Windows) to save the new-sized document.

Note: When I use other methods to increase the size of a picture, I typically lose quality when doing so.
