Note: Why this is a special issue ... as I write it, I'm currently on my annual trek up North and having a blast. But I also don't have access to every thing I need to include information on TV shows, reviews, etc. ... So some sections will be missing this week, but they will return next week. ... In their place, hoping you are not tooooo disappointed, I'll include some extra pictures and jokes.

A. Cynthia, my beautiful bride, and I:

(1) Were soooo glad to be able to go with our friends, Ellen and George Pappas, to see the final performance of GHOST at HART. It was fantastic!

Afterward, we had a great dinner at Angelo's. Leah was our server, and she helped add to our enjoyment of the evening.

(2) We also enjoyed another dinner ... this time at City Bakery where we were accompanied by our friend Judy Ray,

(3) And on another evening we enjoyed a potluck dinner/meeting with members of our Rockfish Cove community.(in Biltmore Lake).

B. WPVM/FM invites you to listen to the BLAINESWORLD show from Wednesday, Sept. 12, 2018 ... C. I solved all the world's problems with my friend Ed Hackett when we met for lunch at Another Broken Egg Cafe/

F. We woke up one morning to see these paw prints on our neighbor's driveway.

Shortly thereafter, we came across this actual notice notice received in Asheville ... it has me wondering ... if the UPS driver was able to get past the bear to deliver the note, how come he or she wasn't able to deliver the package?
