A. Cynthia, my beautiful bride, and I:

(1) Began her birthday celebration by seeing JUDY, the biopic about Judy Garland. The film was good; Renée Zellweger's performance in the leading role was outstanding. ... We then went to 131 Main for a delicious dinner where we received fine service from Nicole and this complimentary dessert that was even better than it looks. ... And afterward, we watched THIS IS US—our favorite TV show. The episode was better than last week's, in that it focused on the characters we have already grown to love (and not the new ones).

(2) We also celebrated the birthday of Padma Dydine (pictured with her husband Will Redish) at a party at their mountain home in Bat Cave.

(3) And we had a delicious dinner at Bonefish Grill with our friends Marcy and Tom Gallagher.

B. We were visited by bears at our home in Fairview.

C. Tripping down memory lane, we came across these pictures from the first day we moved into our home in Biltmore Lake. That's the one now for sale.

If you would like to visit it, come to the Open House on Sunday, Oct. 6, from 2-6 p.m. The address is 19 North Kaufmann Stone Way, Biltmore Lake, NC. ... To see pictures of this home, please click: [Here](#).

For more information or if you'd like to come some other day, contact Brent Russell, our realtor extraordinaire, at 540.588.2852.

D. During the week, I had the pleasure of joining my friends Mark and Shelley Lieberman for breakfast at Cafe 64--one of my favorite local eateries. It's so good, in large part because of its amazing cook (Will Apple, second from the right).

E. Catch this week's BLAINESWORLD show on WPVM, featuring Elizabeth Yaruss (left) and Jennifer Alvarado (right). To view it, please click: [Here](#).

F. Condolences to:

- (1) Jessica Garland and family on the passing of Jennifer's Aunt Gail.
- (2) John Lee Jellicorse and family on the passing of Willie Gray Nickels Stringer, John's aunt.

G. Congratulations to Annelise Taylor Henry on her certification as an ACE Certified Group Fitness Instructor.

H. There's still time to enter ...

#### 5. Technology tip

Get Your Digital Accounts Ready In Case of Death  
by Melanie Pinola

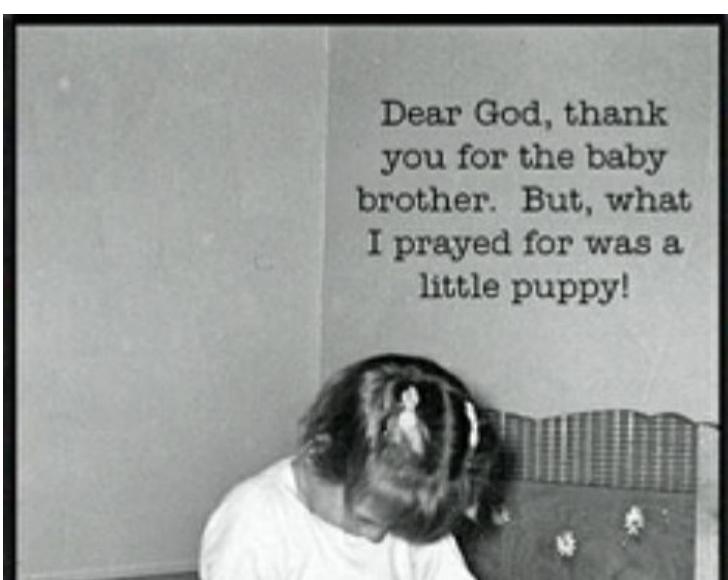

On March 7, 2019, Myrna M. DeLeon passed away, days before her 65th birthday. "Her death was completely unexpected," said her daughter and my brother-in-law's wife, Casey. In the emotional aftermath for the family, one thing made the grieving process less stressful: Myrna's "in case of death" preparations. She had filed important documents in a safe and kept a categorized "little black book of information."

"She was a nurse who was organized in the operating room, and she took that skillset of organization and advanced thinking into our home life as well," Casey said. "For example, 'B' was not for people with the last name starting with B, but for banks and other financial institutions. It listed account numbers for policies and phone numbers to call for claims."

#### 7. A quote I like

"I was listening to my short book, THE BULLIED FAT STUTTERING KID, and remembered what it felt like to take charge of my life. That's a good feeling. It is not hard to do. You just have to find what is important for you, make a plan and just start doing it. A little at a time over time turns into reality. Keep an image with the feeling and be practical, it just takes practice. You can do it. If I can, and I am not the sharpest knife in the drawer, you can get it done.--Marvin Sadovsky, Asheville Real Estate Properties ([Here](#))

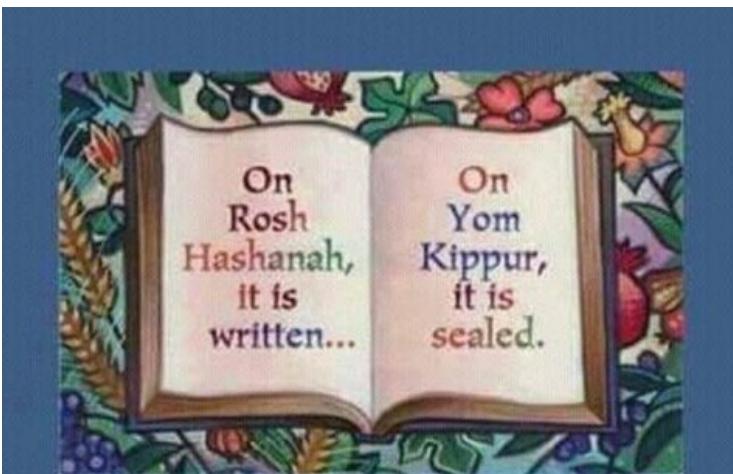

Note: Marvin is also my good friend. His aforementioned book is excellent It can be obtained by clicking: [Here](#). And you're in for a special treat if you get the audiobook, narrated by Tom Gallagher, another good friend. That can be obtained by clicking: [Here](#).

#### 8. Thought for the day

If you are like me, and you celebrate all holidays because there's more food, fun and friendship that way, SHANA TOVA! ... That's the Hebrew greeting for the Jewish New Year, which begins tonight with the beginning of Rosh Hashanah and ends on Tuesday evening, Oct. 1. ... It conveys the hope for a good year. For more information about the meaning of this expression, please click: [Here](#). (Thanks, Roberta Gurwood, for sharing.)

To those I have wronged,  
I ask forgiveness.  
To those I have helped,  
I wish I did more.  
To those I neglected,  
I ask for understanding.

I ask for understanding.  
To those who have helped me,  
I sincerely thank you.
