This book is for you, Cynthia--my beautiful bride. I am grateful for the joy, love and ease you have brought to my life, as well as for the fact that we have been married not long enough.

Preface

What follows are 52 jokes or one for each of week of the year. They first appeared on my Facebook page and/or in my BLAINESWORLD blog. I have tried to use the most popular ones and hope you find them as funny as I did.

Most have received positive feedback and the one on the last page actually went viral. It received 256,604 "likes" on Facebook and has been shared 233,811 times.

Feel free to share them with others. They have intentionally been kept short and are designed to be used over and over. Many of the jokes are ideal for telling aloud-- even if you do not consider yourself a funny person. (One suggestion: Don't say that before telling a joke. Just go for it.)

I appreciate the fact that so many of you have shared your jokes with me, over the years, and encourage you to keep sending them to me. In particular, I love ones that are new to you. Many thanks!

Best,

Blaine (Greenfield)

PS. That's me (pictured below), along with my beautiful bride Cynthia.

After 35 years of marriage, a couple went for counseling. When asked what the problem was, the wife went into a tirade, listing every problem they had ever had in the years they had been married: neglect, lack of intimacy, emptiness, etc.

Finally, after an hour, the therapist got up and asked the wife to stand. He then kissed her long and passionately as her husband watched

The therapist turned to the husband and said, "This is what your wife needs at least 3 times a week. Can you do this?"

"Well, I can drop her off here on Mondays and Wednesdays, but on Fridays I fish."

SNEAK PREVIEW ... a first look at Asheville's proposed I-26 Connector!

A woman had a heart attack and was taken to the hospital. While on the operating table, she had a near-death experience. Seeing God, she asked, "Is my time up?" ... God said, "No, you have another 43 years, 2 months and 8 days to live."

Upon recovery, the woman decided to stay in the hospital and have a face-lift, brow lift, lip enhancement, boob job, liposuction and a tummy tuck. After her last operation, she was released from the hospital. While crossing the street on her way home, she was hit and killed by a car.

Arriving in front of God, she said, "I thought you said I had another 43 years? Why didn't you pull me out of the path of the car?"

God replied, "Girl, I didn't even recognize you!"

There's a guy in this coffee shop sitting at a table, not on his phone, not on a laptop. He's just drinking coffee ... must be a psychopath!

Barbara Walters once did a story on 20/20 about the oppressive treatment of women in Afghanistan. She noted that they walked five paces behind their husbands.

She recently returned to see if things had improved and observed that women still walked behind their husbands. Despite the overthrow of the oppressive Taliban regime, the women actually seemed happy to maintain the old custom

Ms. Walters approached one of the Afghani women and asked, "Why do you now seem joyous with a practice that you once tried so desperately to change?"

"The woman looked Ms. Walters straight in her face and without hesitation said, "Land mines."

At a restaurant, a man sees an attractive woman sitting alone at the next table. Suddenly, she sneezes, and a glass eye comes flying out of her eye socket. It hurls by the man, and he snatches it from the air and hands it back to her.

"This is so embarrassing," the woman says, and she pops her eye back in place. "I'm sorry to have disturbed you. Let me buy dinner to make it up to you. May I join you?" He nods.

The woman is a stimulating conversationalist, stunningly pretty, and the man finds they have a lot in common. He gets her phone number and says, "You are the most charming woman I've ever encountered. Are you this nice to every guy you meet?" "No," she replies. "You just happened to catch my eye."

I hate it when you offer someone a sincere compliment on their mustache ... and suddenly she is not your friend anymore!

My trainer said I can have 1 slice!

Bubba goes to a revival and listens to the preacher. After a while, the preacher asks anyone with needs to come forward and be prayed over. To the preacher's surprise, Bubba gets in line. It takes a while, but Bubba is very patient. When it's his turn the preacher says, "It's been a long time since you came in, Bubba."

Bubba simply nods. The preacher says, "What you want me to pray about?" Bubba says, "Preacher, I need you to pray for my hearing."

So the preacher puts one finger in Bubba's ear and the other hand on top of his head and prays a while. After a few minutes, he removes his hands and says, "OK, Bubba, how's your hearing now?"

"I don't know preacher," Bubba says. "It's not until next Wednesday."

NATURE PHOTOGRAPHY AT ITS FINEST ... Croc spotted at Enka Lake in my Biltmore Lake Community.

A Muslim, a Jew, a Christian, a Hindu, a Pagan and an Atheist all walk into a coffee shop. And they talk, laugh, do henna on each other and become good friends.

It's not a joke. It's what happens when you're not an asshole.

I was visiting my daughter last night when I asked if I could borrow a newspaper. ...

“This is the 21st century,” she said. “We don’t waste money on newspapers. Here, use my iPad.”

I can tell you this: That housefly never knew what hit it!

Bob forgot his wedding anniversary. His wife was mad.

She told him, "Tomorrow morning, I expect to find a gift in the driveway that goes from 0 to 200 in 2 seconds flat. And it better be there!"

The next morning when his wife woke up, she looked and found a gift-wrapped box in the middle of the driveway. She opened it and inside was a brand new bathroom scale.

Bob has been missing since Friday.

Such a sweet prayer!

A man saw an ad that announced, "\$500 Porsche! Like new!" He thought it might be a joke, but decided to check it out and went to the house of the lady who was selling the car.

She led him into the garage and sure enough, there was an almost brand-new Porsche. The man asked to take a test drive and to his surprise, he found it ran perfectly. When he got back, he asked, "Why are you selling this great car for only \$500?"

The lady replied, "My husband just ran off with his secretary, and he told me, 'You can have the house and the furniture. Just sell my Porsche and send me the money.' "

Based on my calculations, I can retire about 5 years after I die.

Mr. Curious here: Can anybody help me out with bail money? I was only following directions!

The cashier told me "Strip down, facing me."

How should I know she meant my debit card?

A married couple in their early 60s were celebrating their 35th anniversary. During their party, a fairy appeared to congratulate them and grant them each one a wish.

The wife wanted to travel around the world. The fairy waved her wand and poof, the wife had tickets in her hand for a world cruise.

Next, the fairy asked the husband what he wanted. He said, "So sorry my love, but my wish is to have a wife 30 years younger than me."

So the fairy picked up her wand and poof, the husband became 92.

George, the mailman, was retiring. On his last day, an elderly couple gave him a gift certificate. At the next house, the entire family gave him a box of fine cigars.

At the third house, he was greeted by a sexy redhead wearing a skimpy negligee. Without a word, she signaled him to come inside where she proceeded to make mad passionate love to him

She then led him downstairs and made him a huge breakfast. As he drank his coffee, he noticed a dollar bill sticking out from under the cup. Curious, he said "I appreciated everything. But what's the dollar bill for?"

The redhead replied, "I asked my husband last night what to give you for your retirement. He said, 'Screw him. Give him a dollar!'" The breakfast part was my idea."

I only wish I had seen this sooner. Now I know why my computer recently got hacked!

After being married for 50 years, my friend looked at his wife and said, "50 years ago, we had a small apartment, a cheap car, slept on a sofa bed and watched a 10-inch black-and-white TV, but I got to sleep every night with a hot 25-year-old girl."

"Now I have a million dollar home, a sports car, an oversized bed and a big screen TV, but I'm sleeping with a 75-year-old woman. It seems to me that you're not holding up your end of the bargain."

His wife, being very reasonable, replied, "Go and find a hot 25-year old girl, and I will make sure that you will again be living in a small apartment, driving a cheap car, sleeping on a sofa bed and watching a 10-inch black-and-white TV."

Rabbi Kaim awoke on a perfect day for golf, but it also happened to be Yom Kippur--the holiest day on the Jewish calendar.

After struggling with his conscience, he decided that he could squeeze in a few holes before services. Moses happened to be looking down from heaven. Disturbed, he reported it to God, suggesting that God teach the rabbi a lesson never to be forgotten. God agreed.

Rabbi Kaim shot a birdie on the first hole, an eagle on the second and on the next hole, the toughest par four on the course, he got a hole-in-one!

Moses turned to God and asked, "I thought you were going to teach him a lesson?"

This is a lesson." God replied, "Who can he tell?"

A mother invited some people to dinner. At the table, she turned to her 6-year-old daughter and said, "Would you like to say the blessing?"

"I wouldn't know what to say," the girl replied. ...
"Just say what you hear Mommy say," she answered

The daughter bowed her head and said, "Lord, why on earth did I invite all these people to dinner?"

A woman treated herself on her 90th birthday by staying in a luxurious hotel. When she checked out, the clerk gave her a bill for \$350. She thought that was outrageous, especially since she didn't even have breakfast.

The manager stepped-in and explained that the hotel had an Olympic-sized pool, a huge conference center and a great show. No matter what he mentioned, the woman replied, "But I didn't use it."

...

Eventually, she gave up and agreed to pay. She wrote a check and gave it to the manager. Surprised, he said, "But madam, this check is only for \$50." "That's right," she replied. "I charged you \$300 for sleeping with me." "But I didn't sleep with you," he exclaimed

"Well, too bad. I was here, and you could have."

WOMEN'S ASS SIZE STUDY: There is a new study about women and how they feel about their asses. The results were very interesting

10% of women think their ass is too skinny. .

30% of women think their ass is too fat.

60% say they don't care. They love him. He is a good man. And they wouldn't trade him for the world.

A new supermarket opened near my house

It has an automatic water mister to keep the produce fresh. Just before it goes on, you hear the sound of distant thunder and the smell of fresh rain.

When you pass the milk cases, you hear cows mooing, and you experience the scent of freshly mowed hay

In the meat department, there is the aroma of charcoal grilled steaks with onions.

When you approach the egg case, you hear hens cluck and cackle, and the air is filled with the pleasing aroma of bacon and eggs frying.

The bread department features the tantalizing smell of fresh baked bread and cookies.

Sounds great, right? But they've gone too far. Let's just say I don't go down the toilet paper aisle anymore.

Heads up!

I recently went horseback riding for the first time since I was a kid. All was going well until the horse started bouncing out of control. I tried with all my might to hang on, but was thrown off. Just when things could not possibly get worse, my foot got caught in the stirrup. When this happened, I fell head first to the ground. My head continued to bounce harder as the horse did not stop or even slow down. As I was giving up hope and losing consciousness ... the Walmart manager then came and unplugged it!

A Buddhist monk approaches a hot dog stand and says, "Make me one with everything." ...

The vendor has heard this one before, and without a word, he simply makes the hot dog and hands it to the Buddhist monk, who pays with a \$20 bill.

The vendor puts the bill in the cash box and closes it. "Excuse me, but where's my change?" asks the Buddhist monk.

The vendor replies, "Change must come from within."

UFO caught on tape!

At a recent wedding, someone yelled, "All the married men please stand next to the one person who has made your life worth living." ... The bartender was nearly crushed to death.

WARNING! ... When you drink Vodka over ice, it can give you kidney failure. When you drink rum over ice, it can give you liver failure. When you drink whiskey over ice, it can give you heart problems. When you drink gin over ice, it can give you brain problems. Apparently, ice is really bad for you

PLEASE NOTIFY ALL YOUR FRIENDS!

This has me writing a note to myself: "Self, avoid this church!"

THROWBACK THURSDAY ... in going through old family pictures, I came across this one. I still cannot understand why nobody ever told my parents I was cute; rather, I do recall hearing folks say, "My, what a baby!" whenever they saw me in my stroller.

“Kids today don't know how easy they have it. When I was young, I had to walk 9 feet through shag carpet to change the TV channel.”

Not toooo impressed with this cat; after all, it took him 273 pages to figure that out.

When Charles de Gaulle decided to retire from public life, President and Mrs. Kennedy threw a dinner party in his honor. At the table,

Mrs. Kennedy was talking with Madame de Gaulle: "Your husband has been such a prominent public figure, such a presence on the French and international scene for so many years! Retirement will seem so quiet in comparison. What are you most looking forward to in these retirement years?" ...

"A penis," replied Madame de Gaulle. A huge hush fell over the table. Everyone heard her answer and no one knew what to say next.

Le Grand Charles leaned over to his wife and said: "Ma cherie, I believe ze English pronounce zat word, "appiness!" "

When my son graduated from high school, he had to give a speech.

He began by reading from his prepared text. "I want to talk about my mother and the wonderful influence she has had on my life," he told the audience. "She is a shining example of parenthood, and I love her more than words could ever do justice." ...

At this point he seemed to struggle for words. After a pause, he looked up with a sly grin and said, "Sorry, but it's really hard to read my mother's handwriting."

Just the sign I need for my driveway!

On a couple's 50th anniversary, the minister asked Ralph to share some insight into how he managed to live with the same woman all these years. The husband shyly stood and turned to the audience:

"Well, I treated her with respect, spent money on her, but mostly I took her traveling on special occasions." ... The minister inquired, "Trips to where?" ... "Well," the man says, "for our 25th anniversary, I took her to Beijing, China." An appreciative murmur went up in the congregation

The minister then said, "What a terrific example you are to all husbands, Ralph. Please tell the brethren what you're going to do for your wife on your 50th anniversary?"

"Big plans!" he said with a smile. "I'm headin' back to Beijing to pick her up!"

A woman is on trial for beating her husband to death with his guitar collection. Judge asks, "First offender?" ... She replied, "No, first a Gibson, then a Fender!"

My kind of advice!

Reminds me of this one time I also found pot at the end of the rainbow. But I smoked it instead!

Someone has finally managed to photograph the pot at the end of the rainbow

I hope y'all like my latest selfie!

My dentist told me I needed a crown. Finally, someone agrees with me!

It just dawned on me why Mayberry was so peaceful and quiet ... nobody was ever married!...

Here are the single people that come to mind:
Andy, Aunt Bea, Barney, Floyd, Howard, Goober,
Gomer, Sam, Ernest T Bass, the Darlin family,
Helen, Thelma Lou and Clara.

In fact, the only one married was Otis, and he stayed drunk.

The Lone Ranger and Tonto were camping in the wilderness. After they got their tent set up, both men fell sound asleep. Some hours later, Tonto wakes the Lone Ranger and says, "Kemo Sabe, look towards sky, what you see?"

The Lone Ranger replies, "I see millions of stars." ... "What that tell you?" asks Tonto. The Lone Ranger ponders for a minute and then replies, "Astronomically, it tells me that there are millions of galaxies and potentially billions of planets. Theologically, it tells me that God is great and that we are small and insignificant. Meteorologically, it tells me that we will have a beautiful day tomorrow. What does it tell you, Tonto?" ...

"You dumber than buffalo. It mean someone stole tent."

A woman golfer watched in horror as her ball hit a man playing the next hole. He fell down like a shot, but soon got up and began clasping his hands together at his groin. The woman rushed over, apologized and said, "Let me help. I'm a physiotherapist and can relieve your pain." ...

The man replied, "No, I'll be fine. Yet he was in obvious agony, lying in the fetal position and still clasping his hands. At her persistence, he finally allowed her to help. She gently took his hands away and laid them to the side, loosened his pants and put her hands inside. She massaged tenderly for several long moments and asked, "How does that feel?" ..

"It feels great," he replied. "But I still think my thumb is broken."

Some guys were sitting in a bar having a conversation. One of them says, "What do you want people to say about you at your funeral?"

They think about it for a while and the first answers, "I want them to say was a good guy, and that I would probably go to heaven." ... The second guy nods and says, "Yeah, I want them to say that I didn't deserve to die, and that I had a lot of friends." ... The third guy looks up and replies,

"At my funeral, I want everyone to point and say 'Look! He's moving!' "

A minister has died and is standing in line, waiting to be judged. He strikes up a conversation with the man in front of him and finds out that the guy was a taxi driver. ...

Suddenly, the angel standing at the gate calls "next," and the cabbie steps up. The angel hands him a golden staff and a cornucopia of fruits, cheeses and wine, and the guy proceeds into heaven.

When it is the minister's turn, the angel gives him a wooden staff and some bread and water. "I don't get it," says the minister. "Why did he get all those riches, and I get next to nothing. What gives?"

The angel replies, "Up here, we judge on results. All of your people slept through your sermons. In his taxi, they prayed."

A little old lady went to buy cat food. She picked up three cans, but was told by the clerk, "I'm sorry, but we can't sell this to you without proof you have a cat. Too many seniors are buying cat food to eat. Management wants proof that you are buying this for your cat." So, the lady went home, brought in her cat and was sold the cat food

The next day, she tried to buy two cans of dog food and was again told she could not buy them without proof. So, the lady went home, brought in her dog and was sold the dog food

One day later, she brought in a box with a hole in the lid and asked the cashier to stick her finger in the hole. The cashier said, "No, you might have a snake in there." The lady assured her that there was nothing in the box that would harm her. So, the cashier put her finger into the box, quickly pulled it out and exclaimed, "That smells like crap."

The lady replied, "It is. I want to buy two rolls of toilet paper."
